

# **The Fencestory**

**John Boyne**

**In 1942, a nine year old boy  
from Berlin starts an adventure.  
Bruno takes you on a trip you  
will always remember.  
You will find a big fence but I  
hope that you'll never cross one  
like this on your own.**

„Shocking, but you can't stop reading“ Build
